Mission statement for Synapsis World: Synapsis World is a new non-profit NGO located in Debar, Macedonia. Our organization was officially registered on the 18th of August, 2017. Our NGO's target beneficiaries are the local Dibran youth and local unemployed residents.

Our mission is to inspire all individuals that have the potential and value to help every child or individual in order to bring change and social solutions to any kind of circumstance in our society. We will help train leaders in the field of social policies and children's rights in order to meet the needs of the community for a better life, and the professional develop of people who contribute to our society. We aim to accomplish these goals through supporting professionals with training, materials, tests, and professional collaborations and partnering with Debar Municipality, Peace Corps and the US Embassy in Skopje during this project.

Brief Description of project: This twelve month project will develop vital entrepreneurial and self advocacy skills in local youth. Synapsis World will focus on 20-30 beneficiaries. The beneficiary pool will be comprised of youths, aged 16-27 from the Municipality of Debar. The project will help address the lack of entrepreneurial, business skills, and motivation which effects the productivity and performance of the local Dibran youth. Through our project the local will increase their preparedness to meet the business and financial challenges they will inevitably face in life. By the end of this projects training sessions, job fair, and sub-grant distribution, the beneficiaries will have gained a better understanding of financial literacy, CV writing, interview skills, personal confidence, and the knowledge of what specifically is needed to start a business and become professionally successful in both local and national markets.

Responsibilities: As our entrepreneurial and training expert you will be expected to help plan, lead, and facilitate between 6 and 8 full day technical trainings. Spread out between March and July of 2019.

Qualifications:

- At least 3 years of business development and consulting experience
- Has experience mentoring youth
- Presentation and project management skills
- Proven experience serving as a trainer or coordinator of program
- Knowledge of the entire business development cycle, from opportunity identification to business plan writing

Application Process: Interested candidates are requested to submit their CVs and a one page cover letter to info@synapsisworld.org. Experts' applications will be added to the roster, which is an internal tool that will be used solely for the above application process. These documents will be used in order to facilitate a recruitment of expert as consultant to work on specific project activities.
